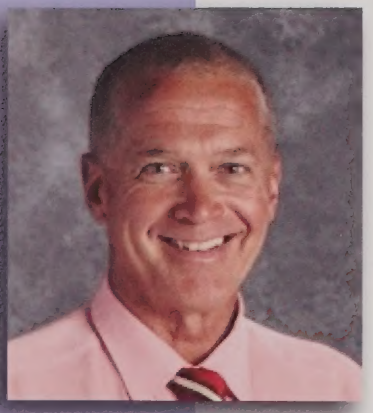
DEDICATION

Melanie Dolloff, Mathematics

"Melanie Dolloff is one of Plymouth North High School's legends. She is one of the most talented Mathematicians that I know and could have been a Mathematics Professor. Instead, she dedicated her life to helping high school children learn this most special universal language. She has the courage to push students to their limits and has the love to ensure they achieve. She continues to strive for knowledge and excellence as a lifelong learner and never gives up. These are qualities that every educator should have! Her stubborn personality, quirky traits, hilarious habits, love for puppies, and of course love for the color purple make you one of a kind! Congratulations Melanie on this bittersweet step in your life! You will be forever remembered and absolutely irreplaceable!" ~ Kesha Nielsen, Mathematics Department Head and Class of 1997

"Mrs. Dolloff has always been an inspiration to those with a deep love of mathematics, pushing her students to challenge themselves everyday. Whether in class, at math team, or at NHS, her determined and enthusiastic personality has created infinite opportunities for many kids to thrive. She has always shown a profound commitment to any student, lending a helping hand whenever she can. Throughout her career, Mrs. Dolloff has put all of her energy into her work and her students, and she will always be remembered for her limitless passion." ~ Nick Bodie, Class of 2021



Donald Ivas, Special Education

"Mr. Ivas retires this year leaving a legacy of language, literacy and laughs. His quick wit and insightful conversation has lifted and enlightened both students and staff alike. From his engaging take on History to his personable approach with students, Ivas has made his time with the Eagles something for us all to remember fondly." ~ Joel Odell, Special Education Teacher

"I've known Mr. Ivas for the past two years as my academic skills teacher. He is always smiling and welcomes us with a joke when entering his classroom. He is truly someone I can count on for help with issues in and outside of school. Thanks for always being there for me." ~ Jaylen Baker, Class of 2022

Karen Zapotti, Special Education

"Karen was always the nicest person to work with. She gave off such a positive energy to coworkers and students. She really cared about the students she worked with! I wish her the best as she enters the next chapter of her life in retirement." ~ Cathy Rose Vallas, Secretary

"I first met Karen at Hedge School in the early nineties then we worked together again at Plymouth South Middle. My sister was very ill and every day she would talk to me, asking how things were going. She is the most kind and compassionate person. Anyone she came in contact with benefited from speaking with her. Karen is truly one of a kind." ~ Judy Gallagher, Substitute Teacher

RETIREES

Dr. Gary Maestas, Superintendent

"In my 25 years of working in K-12 education, I have worked with many educators that are committed to creating and enhancing opportunities for our youth. Dr. Maestas is at the top of the list when it comes to leading with integrity and conviction. I have had the great pleasure of working with and for Dr. Maestas for over 12 years. Not only do I consider him a great leader and mentor, I consider him a great friend. Dr. Maestas is a person grounded in admirable values and has been a mentor to many. Dr. Maestas will always be a part of the Plymouth Public Schools and it is our hope that we continue his legacy of passion, integrity and inspiration."

~ Dr. Christopher Campbell, Superintendent of Schools

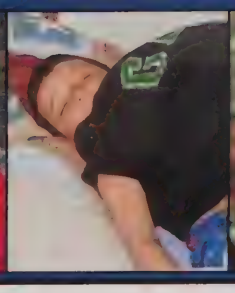
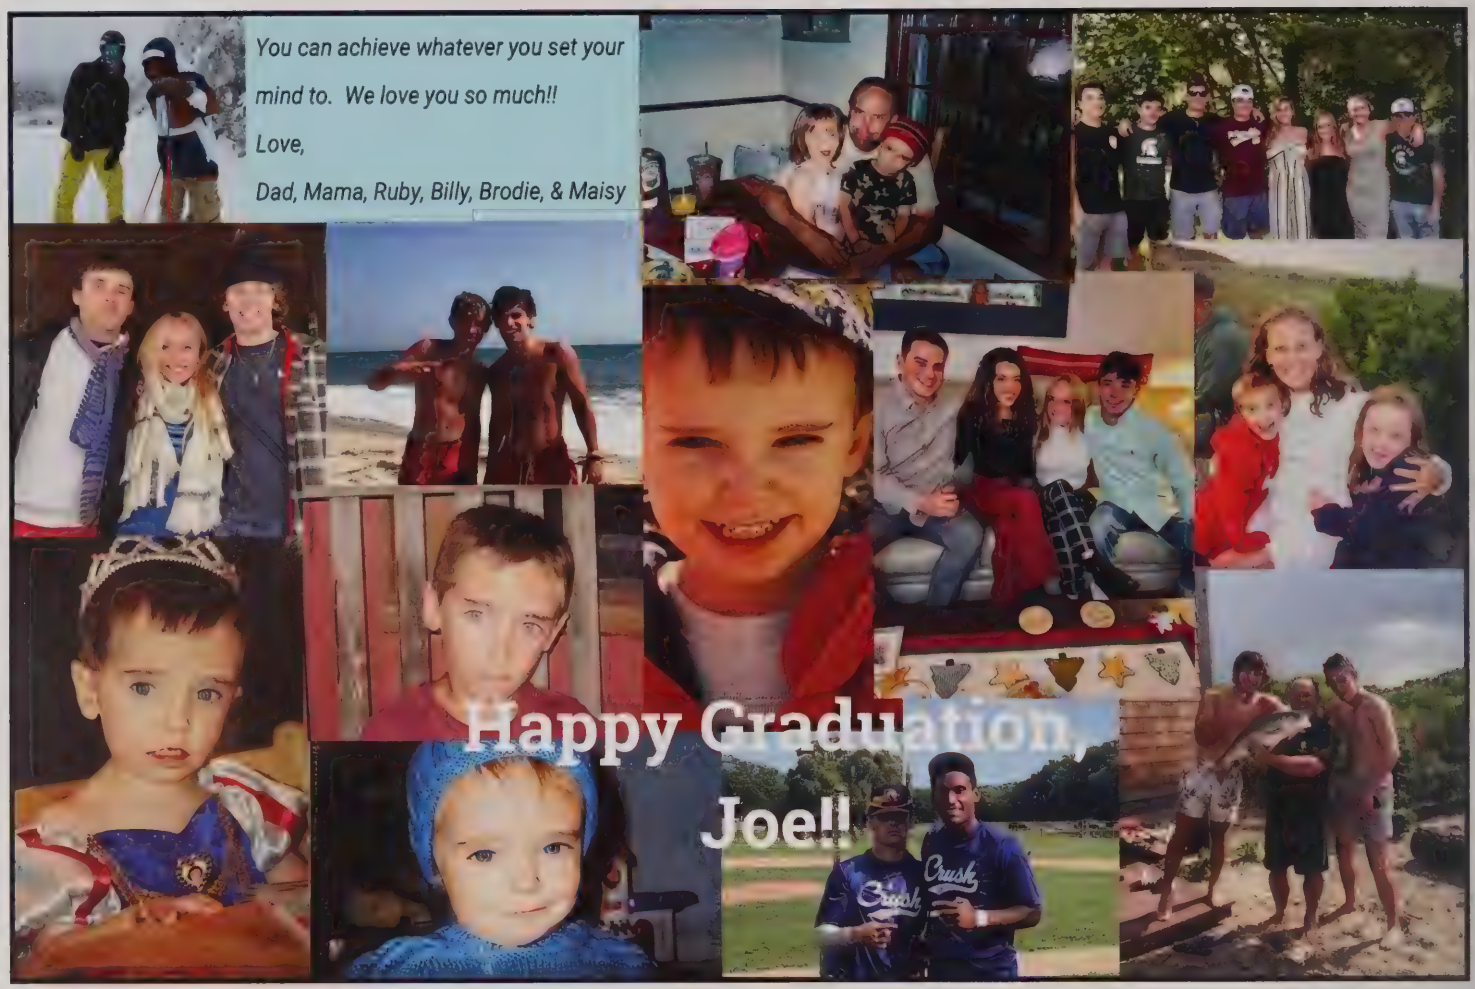
Ryan Marcus Fitzpatrick

Ryan (RyGuy),

October 31, 2002 our Halloween Pumpkin baby and second of our Irish Twins. You are the one of my 4 children that was the most talkative and happiest little boy ever!! I remember how excited you were in preschool to get a book order form. (people to this day remind me of how happy you always were). You are loving, kind, compassionate, responsible, a true leader (former Class President). If people didn't know you like we do, they would never know how truly much you love children and are really good with them. From that first day at Kindergarten to here we are now, a graduating senior, we always knew you would achieve great things! You are always outgoing, very friendly, love to SMILE, and whichever University you commit to they will be very lucky to have you. Ryan you have had to grow up faster than most and unfortunately endured a lot at a young age. Just know your entire family from near and far are all so very PROUD of the young man you have become. Wherever life's road may take you, please remember the life lessons and traditions we've taught you and know you are always a part of our family. Congrats on a job well done. We couldn't be prouder!! Remember "Life moves pretty fast if you don't stop and look around every once in a while you could miss it." (FB) Love you to the moon and back 100 million times and more. Love, Mom Madre, Buff, Daddy, Kayla, Cameron, Rylie, Jaxon, & all of your Grandparents.

We Love You xoxo You Did It!!





You can achieve whatever you set your mind to. We love you so much!!
Love,
Dad, Mama, Ruby, Billy, Brodie, & Maisy
Happy Graduation, Joe!!

Congrats, GRAD!
